THE CULTURE

Laid-back luxury, from sunup to last call.

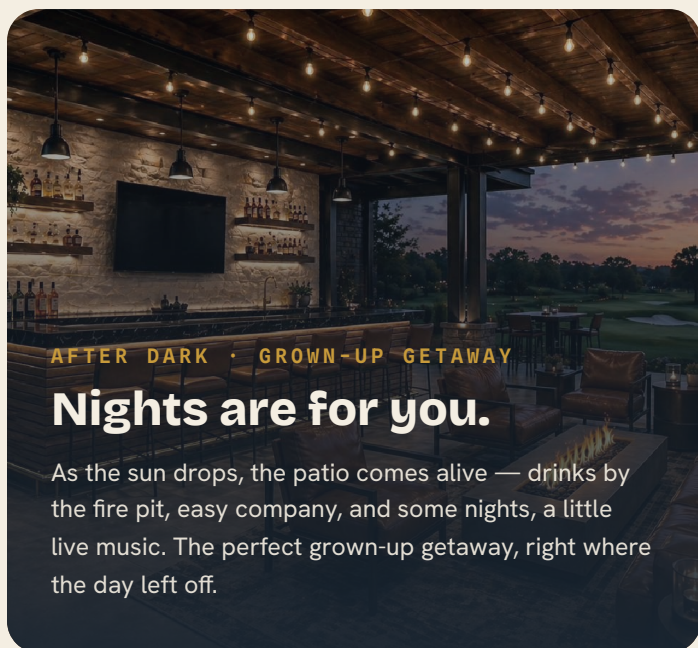

We are not a country club. The Feather is a place to belong — relaxed, welcoming and unpretentious, with the service and polish of somewhere far more formal. Families fill the days; friends close out the nights. Come as you are, stay as long as you want.

ALL DAY • FAMILY FRIENDLY

Daytime is for everyone.

Kids splash at the resort pool or cast a line at our stocked pond while the grown-ups play a relaxed loop or lounge by the water. An easy, welcoming, family-friendly escape — no stuffiness, no rush.

AFTER DARK • GROWN-UP GETAWAY

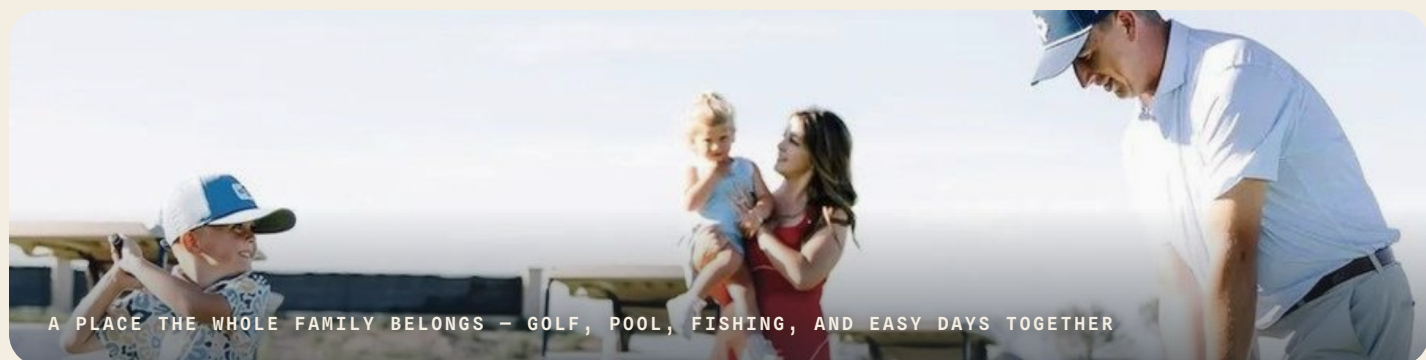

Nights are for you.

As the sun drops, the patio comes alive — drinks by the fire pit, easy company, and some nights, a little live music. The perfect grown-up getaway, right where the day left off.

GOLF • PEOPLE • PLACE • MUSIC

The four things The Feather is built on — good golf, good people, a place that feels like yours, and music in the mix.

A relaxed, family-friendly escape by day that turns into the best seat in town after dark.

A PLACE THE WHOLE FAMILY BELONGS — GOLF, POOL, FISHING, AND EASY DAYS TOGETHER

DINING • THE HOOK KITCHEN + BAR

Great food, made for every day.

LED BY CHEF VANCE STEPHENS

The Chef makes the difference.

Chef Vance Stephens runs a scratch kitchen built around the way people actually eat — fresh, locally sourced when we can, and done right. Nothing fussy or precious; just consistently great food, crafted for everyday eating and made to bring you back, breakfast through dinner.

THE GOLF

A championship course — and no tee sheet.

18 HOLES • CHAMPIONSHIP GOLF

Play on your schedule.

Designed by King Collins, the course plays without tee times — arrive when it suits you and the round flows. The one exception: **Texas Tech home-game weekends**, when play surges and we run a tee sheet to keep the flow of play smooth for everyone. The course rests on Mondays — though the bar and kitchen stay open all day.

HERE NOW • HOME BASE

The Ranch House.

While the permanent clubhouse is built, our driving-range clubhouse — the Ranch House — is home base: check in, grab a bite and a drink, and head to the first tee.

For the kids: a stocked pond for fishing. Grab a rod from our newly finished fish hut and see if they can get a bite — or bring your own favorite rod.
